

## 2022 ASSESSMENT UPDATE:

2022 Assessment Invoices were sent out in October and were based on the reported number of planted acres as stated on 2022 Acreage Reports. If you have not already done so, please send payment for half of the total amount stated on your invoice by November 15, 2022. The remaining amount is due by February 15, 2023. If you did not harvest all of your planted acreage, this fact must be verified by a member or alternate member of the CWRAB from the district in which you grow wild rice. If a field is ninety percent (90%) harvested, it is to be considered completely harvested. Please reach out to Elise Oliver, [eoliver@calapple.org](mailto:eoliver@calapple.org), if you did not harvest all of your planted acreage and need to arrange for verification or have any questions regarding assessments.

## FSMA FINAL RULE: REQUIREMENTS FOR ADDITIONAL TRACEABILITY RECORDS FOR CERTAIN FOODS

## AB 2183 SIGNED BY GOVERNOR NEWSOM

On September 28, 2022, Governor Newsom signed into law AB 2183-Agricultural Labor Relations: Elections, authored by Assembly member Stone. Previously, union elections were conducted via secret ballot. AB 2183 instead provides agricultural workers the right to vote for or against union representation by mail balloting or through card check. Beginning January 1st, employers will have the opportunity to opt-in to labor-peace compacts, which triggers mail balloting. For employers who do not opt-in to labor-peace compacts, non-labor peace elections, or card check, will be utilized in order to certify unions as bargaining representatives of an employer's employees. For a detailed explanation of the various differences between labor peace elections and non-labor peace elections or how this law may affect your operation, please do not hesitate to contact Elise Oliver [eoliver@calwildrice.org](mailto:eoliver@calwildrice.org).

## RECIPE CORNER

### Pumpkin and California Wild Rice

#### Risotto

#### Ingredients:

- 1 shallot, minced
- 1 clove garlic, minced
- 3-4 tablespoons olive oil
- 1 bunch fresh sage leaves
- 1/4 cup white wine
- 1/2 cup Arborio rice
- 1/2 cup California wild rice
- 1 32 ounce container Organic Vegetarian Pho Soup Base
- 3/4 cup cooked and puréed pumpkin meat or pumpkin puree (I used the meat from 4 mini pumpkins)
- salt and pepper, to taste
- grated parmesan, for topping

#### Directions:

In a large sauté pan with lid, cook the diced shallot and garlic in the olive oil over medium high heat until translucent. Add sage leaves and continue to cook until fragrant. Add the wild and arborio rice to toast. Once the rice begins to brown, add the wine to deglaze the pan. Stir, then salt and pepper to taste, and begin adding the vegetarian pho stock. Add 1 cup and let it cook down. Do this until there is only one more cup left, then whisk in the last remainder of the pho and the pumpkin puree, and cover with a lid until remaining liquid is absorbed by the rice. The wild and arborio rice should be fully cooked, but not gummy.
